

Jackmans Partners

July 2023

Active Local is Herts Sports Partnership's collaborative place-based initiative. It supports targeted communities in highlighting their strengths, whilst also responding to local need and identifying where support, intervention or extra capacity could help create a more joined-up approach to tackling inactivity.

HSP Opportunities Fund

Herts Sports Partnership have just launched an Opportunities Fund to help support children in our Active Local areas in Hertfordshire access Sports Club opportunities throughout the coming year.

The fund is aimed at supporting children in our Active Local areas to join a local community club. There is up to £200 available per child which can be used towards membership and or equipment. It is recognised how beneficial attending clubs can be for a young persons social and emotional wellbeing and there can often be talented young people who are unable to reach their full potential, as a result of not being able to afford access to opportunities.

Please note that the club will have to apply on behalf of the child and the money will go directly to the club.

We would welcome your support on highlighting individuals or sports clubs and to help spread the word to your network about this opportunity.

East of England Mental Health in Sport and Physical Activity Conference

This conference is open to partners from across the East Region, providing learning and networking opportunities that are suitable for cross-sector colleagues interested in how sport and physical activity can be used to benefit people's mental health. Attendees will learn about why being physically active can benefit someone's mental health as well as improving understanding of how opportunities can be delivered in order to be inclusive to those living with poor mental health.

Taking place on Wednesday 29th March, this event is for partners from across the East of England region and, as such, will run as a hybrid event; offering the opportunity to either attend online or in person.

To attend in-person please click [here](#)

To attend virtually please click [here](#)

If you have any questions about the conference, please email t.horey2@herts.ac.uk

Moving More

Find out what gets you Moving More today with the Herts Sports Partnership 'Moving More' Activity Finder

The Activity Finder is the 'go to' hub for physical activity opportunities in Hertfordshire. With thousands of sessions uploaded by activity providers, find out what could get you Moving More, whether that means finding something local to you or from the comfort of your own home.

Are you a Physical Activity provider? Upload your sessions to the Activity Finder and take advantage of the FREE marketing tool.

Funding Opportunities

Sport England Small Grants Programme

The Small Grants Programme seeks to develop opportunities for communities to get more physically active and will support new projects through providing National Lottery funding of between £300 and £15,000. This pot is available for not-for-profit organisations, and the closing date for applications is 30th June 2023.

easyfundraising

They turn your daily shopping into everyday magic!

easyfundraising partners with over 7,000 brands who will donate part of what you spend to a cause of your choice. The cost is covered by the brand, it won't cost the buyer any extra.

Why don't you set your organisation up on easyfundraising?

Sport England Active Together

The funding option is about supporting local clubs and organisations through times of crisis and helping them with recovery, reinvention and building resilience.

Active Together is a support package to help clubs and organisations set up and run crowdfunding campaigns, and Active Together will match investment of up to £10,000
