Joe Gamble – Sport Welfare Officer

The Herts Sport and Physical Activity Partnership recognise the challenges in getting safeguarding right, and we're here to help.

We can:

- ✔ Provide additional, local support for club welfare officers/safeguarding leads.
- ✔ Signpost you to the right advice and guidance.
- ✔ Facilitate local training opportunities and events.
- ✔ Work with you to create a safer culture within your organisation.
- ✔ Recognise, share, and develop best safeguarding practice.
