1 Introduction

The Herts Sports and Physical Activity Partnership is an award-winning organisation that was established in 2003. We are one of the 43 Active Partnerships in England that were created as part of the long-term plan for delivering sport across the nation. Known as HSP, the Partnership is led by a Board of voluntary representatives and has a core team of full and part-time professionals all of whom are passionate about the work carried out by the Partnership. The HSP team works alongside numerous partners from the public, private and voluntary sectors, bringing together expertise, resources, and ideas from all parts of the sports, health and physical activity arena in Hertfordshire and beyond.

With a role as the strategic lead for the development of sport and physical activity within Hertfordshire, the work of HSP is fundamental to many services delivered across the public, private and third sector. HSP is also a key advocate for, and a champion of sport and physical activity for investment and recognition across a broad range of social, health and economic outcomes. HSP is integral to the local success of the government’s community sports agenda, and we are fully committed to ensuring that the Partnership shows system leadership in support of both its strategic objectives, and those within Sport England’s 10 year *Uniting the Movement* strategy.

The precise focus and direction of the work of the organisation is shaped by a 5-year Strategy (including a mid-term review), developed in collaboration between stakeholders, the Board and core team. The Strategy informs the Annual Implementation Plan which sets out how the core staff team will deliver the Strategy.

This framework describes how HSP operates, detailing remit, structure, and the roles and responsibilities of the host, Board, and staff team.

As detailed in Herts Sports and Physical Activity Partnership’s constitution, HSP will work to promote and develop sport and physical activity in the county for the benefit of all communities on behalf of all member organisations. It will operate at a strategic level to connect organisations working in the sector and seek to change things for the better. It aims to increase participation and develop and deliver sport and physical activity programmes and support people working in sport and physical activity at every level. It will add value to activities already taking place and support the paid and volunteer workforce. It will be an advocate for sporting excellence and participation in the county, and the contribution of sport and physical activity to the economy, health, community cohesion, community development and educational attainment of Hertfordshire.

HSP will be an inclusive, broad-based, outward looking, action orientated umbrella group, representing the interest of all levels of sport and physical activity in the county. It will connect and provide a countywide network of all stakeholders in the sector. Partnership members will be asked to contribute to the priorities of the Partnership where they are able to do so and promote the benefits of sport and physical activity in their local area.

Herts Sports & Physical Activity Partnership

Governance Framework

HSP wishes to operate within an equitable context and to ensure positive action is taken to support this. As far as is reasonably practicable, HSP will seek to ensure that its membership, its process and procedures and work programmes consider the needs of underrepresented groups and will take steps to address any such under-representation.

Our Equality Statement

The Herts Sports Partnership is committed to equality and operates within a culture and structure that recognises diversity and strives to be fair. Equality in sport is about fairness, justice, and equal access to opportunities. We are aware of the diverse needs of different groups within society and respond positively to eliminate discrimination. Positive action will be used to redress inequalities and to maximise participation.

2 Remit and structure

2.1 Background

Since the establishment in 2003 of HSP our vision has remained simple and constant

“Working together to encourage more people, to be more active, more often.”

The means of doing this and the focus of the initiatives used may vary from year to year or from one strategic period to the next, but our vision is unwavering. The objectives set out below for the [Strategic Plan 2022-2027](#) show where our main focus will be concentrated to ensure we contribute to deliver this vision.

Mission: Working strategically and collaboratively to improve the lives of the people of Hertfordshire, by using the power of sport and physical activity to tackle inequality and disadvantage

Objectives

- Community Sport & Physical Activity Sector - provide opportunities for the people of Hertfordshire to start, continue and thrive in their chosen sport or physical activity.
- Covid Recovery - Support the community sport and physical activity sector and individuals to recover from the impact of the Covid pandemic using sport and physical activity to improve health and wellbeing and community resilience.
- Physical Activity for Health and Wellbeing - Positioning movement, sport, and physical activity at the heart of how we think about people’s health and wellbeing in Hertfordshire.
- Sport for Social Change - Use sport and physical activity to enhance the lives of Hertfordshire’s residents by supporting community cohesion, social inclusion, economic prosperity, crime and anti-social behaviour reduction, educational attainment, and employability.
- Stronger Communities - Taking a place-based approach to tackling inequalities and reducing inactivity, by concentrating limited resources and empowering local communities from target areas, for maximum impact.
- Active Environments - The development of inclusive and sustainable places and spaces to encourage participation in sport and physical activity for all our residents.

The essence of the role is a personal responsibility for the propriety and regularity of public finances for which he / she is answerable; for prudent and economical administration; for avoidance of waste and extravagance; and for the efficient and effective use of all resources under his or her charge.

His / her responsibilities include:

- a. Arranging for the appropriate induction and support of Board members, ensuring that when members take up office they are fully briefed on the terms of their appointment, duties, and responsibilities.

- Supporting the co-ordination of the development and delivery of sport and physical activity interventions and projects
- Being a key medium for exchange of views and information amongst the partner organisations on specific projects

A Succession Plan (Appendix 3) outlines the policy for key roles that would have a significant impact within the organisation if the holder were to depart either immediately or in a planned manner.

5 The Board

5.1 Role and remit

The Board of HSP exists to:

1. Drive and monitor the strategy and direction of HSP.
2. Approve the Business Plan including a long-term financial plan and annual budgets.
3. Undertake regular monitoring of the Strategic Plan and objectives.

Whilst the HSP Board is given discretion to carry out its remit as outlined above, should it be required, the ultimate accountable body will be the Host – see section 3 above.

5.1.1 Strategy and direction

The Board will provide clear direction for HSP's work in line with its objectives, supporting the creation and execution of the strategy. Whilst the Board will take the strategic lead and drive the development of sport, day-to-day management of HSP is not a Board function. Authority is delegated for achieving the strategic outcomes to the core staff team, together with the necessary authority to make decisions in a specified range of activities.

5.1.2 Promote and further work through partnerships.

The Board should advocate the benefits of sport and physical activity as well as that specifically carried out by HSP, both locally and nationally. They will also play a part in recognising and celebrating successes. A key part of a Board member's role is to draw on their own networks and contacts to secure resources for the work of the HSP, opening doors for sport and for HSP to attract new partners. They will work with the Senior Leadership Team to enhance partner commitment and satisfaction and encourage collaboration.

5.1.3 Oversight, input, and challenge

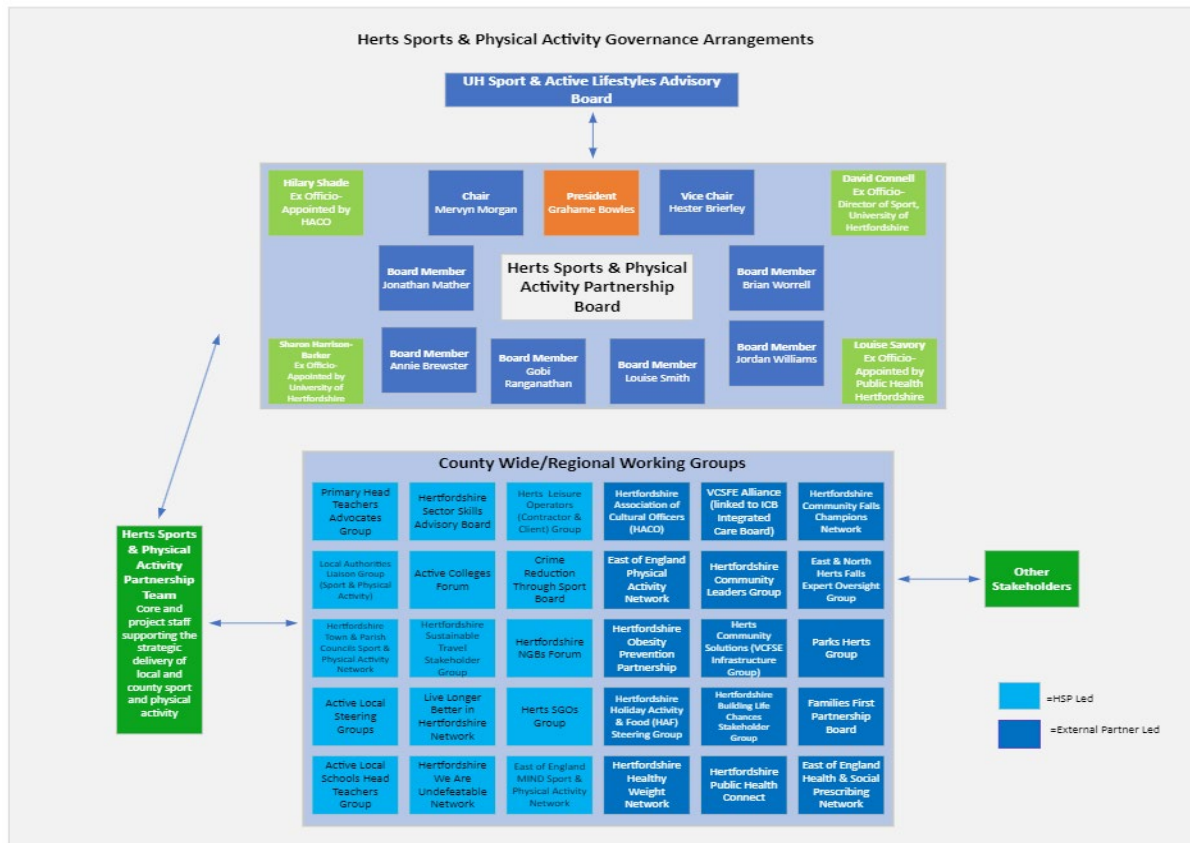

The Board monitors the effective delivery of the Partnership's objectives and the achievement of key targets and outcomes. It is the Board's responsibility to ensure that these aspects are maintained and improved to the satisfaction of the partners and funders through transparent and planned processes. It is also the Board's responsibility to ensure that good governance is carried out across the organisation. It is accountable for the actions of HSP, including finance and risk, in line with the Host Agency agreement.

5.9 Appendix 3: Succession Plan

1.0 Introduction and purpose

This policy has been drafted for key roles that would have significant impact within the organisation if the holder were to depart either immediately or in a planned manner. This policy covers the Partnership Director and the Chair of the Board. The desired results of the succession planning are to provide a continuous flow of people to meet the organisation's management needs.

2.0 Procedures for Partnership Director

2.1 Immediate leave

To reduce the impact of the Partnership Director going on unplanned leave (unexpectedly or through illness or personal reasons for a defined period) the organisation will:

- Make sure key documents e.g., Partnership Director's latest report, are up to date and on the shared drive and filed in a way that is understood across the organisation.
- Ensure Senior Leadership Team (SLT) members regularly accompany the Partnership Director to key meetings and keep up to date with strategic developments.
- Agree who deputises for specific areas of work and who is 'the voice' of the organisation.

If the leave continues for a significant time the Board may, in consultation with the University of Hertfordshire's Director of Sport and Director of Human Resources, agree a process to appoint

Herts Sports & Physical Activity Partnership

Governance Framework

an interim Partnership Director. It is expected that the position will be filled by an internal staff person or persons for a defined period. If at the time no internal person is appropriate, then an external person should be hired.

- Annually the Board shall discuss this with the current Partnership Director to review who on the staff team might be most appropriate and what individuals and/or positions might provide management during a transition or unexpected leave.
- The Board shall review salary compensation and recommend adjustment for increased responsibilities during a transition.
- The Board Chair and other Board members shall take on more of an active oversight role with the organisation.
 - The Board Chair will act as the external spokesperson for the organisation.
 - The UH Director of Sport shall act as the supervisor for the Interim Partnership Director. The Chair should expect to have weekly meetings (face-to face, if possible, virtually if not) with the Interim Partnership Director
 - The Board Chair should prepare a letter to all key funders and stakeholders announcing the Interim Partnership Director and providing an outline of the succession planning timeline and steps.
 - The UH Director of Sport shall meet with the full staff to announce the interim position, the Board role and outline expectations for the transition time frame. If hiring is going to occur, he/she should also outline the succession plan, timeline and steps including staff involvement.
 - The SLT should expect to meet monthly during the transition period.

2.2 Resignation / Dismissal - Appointing New Partnership Director

Partnership Director succession planning should be an ongoing, systematic process using regular appraisals to identify members of the Senior Leadership Team (and staff) that have leadership potential. These potential leaders should be developed through training and mentoring. This planning process can provide an easier transition if the existing Partnership Director leaves.

If the Partnership Director resigns, they will see out their stated three month notice period and during that time:

- They will ensure all documents are filed on the shared drive.
- Keep staff updated on existing projects and planned work.
- Appropriate Strategic Leads will accompany the Partnership Director to meetings with stakeholders and funders.
- The Chair will be kept fully updated around organisational matters.

Supervision

The new Partnership Director will have a six-month probation period. The UH Director of Sport, with the support of the Board Chair will be responsible for monitoring the Partnership Director's progress and will only sign off the probation if they are satisfied that he/she is performing at the appropriate level. If not, UH procedures will be followed.

3.0 Procedure for departing member of the SLT

Herts Sports & Physical Activity Partnership

Governance Framework

If the departure is expected to be short-term, the SLT will put measures in place to cover or the senior leader via the existing SLT or through other appropriate staff or associates. If the departure is expected to be long-term or permanent the SLT would plan to make a more permanent cover or re-appointment or potentially use the departure to re-structure the business. If long-term cover or a re-appointment is deemed the best option, ideally the replacement would be internal. NB. HSP will continuously support the development of staff and their career progression via the UH HR processes in place. If this is not appropriate, then an external appointment would be made. Senior leaders are expected to keep their files up to date on SharePoint to enable good knowledge transfer in the event of a departing officer, immediate or otherwise.

4. Procedures for departing Chair of the Board

4.1 Immediate leave

To reduce the impact of the Chair going on unplanned leave (unexpectedly or through illness or personal reasons for a defined period) the:

- Senior Independent Director should be kept up to date, so they can step in to cover the Chair's duties.
- The Partnership Director should make sure all documents held by the Chair are up to date and on the shared drive.
- Let any key funders and stakeholders aware of the situation.

If the leave continues for a significant period, the Board may agree a process to appoint an interim Chair. It is expected that the position will be filled by the existing Vice -Chair for a defined period. However, if after a review of the Job Description and Person Specification no existing Board member is appropriate then the position will go out to recruitment.

4.2 Resignation or end of term - appointing a new Chair

The Board should undergo regular evaluation utilising the skills audit that will also ask for anyone with interest in being Chair. Any potential Chair should be identified using the evaluation results, the Person Specification and any future development needs that have been identified. If it is felt that the existing Board doesn't have a potential Chair in waiting the Partnership Director, Board and existing Chair may wish to recruit a new Board member with the required potential.

A planned resignation and re-election would normally take place at the Annual General Meeting.

The election of the new Chair will be done by nomination of an individual willing to stand, the Board will then vote by a show of hands.

Following the election, the Board may review the skills audit to identify any resultant gaps. leaves.
