A-Life

A-life has been inspiring children to lead healthier, happier lives for over 21 years through our hands-on, interactive Health & Wellbeing Workshops. We bring the curriculum to life with fun, engaging sessions that get every child involved – including those with SEND – through movement, teamwork, and real-life learning. From Healthy Workshops and Fitness Circuits to Mental Health and Drugs Awareness sessions, A-life helps schools deliver powerful messages that stick, improving focus, confidence, and behaviour long after the day is over.

A-life Online takes that same interactivity into the digital world – giving every school and every family access to hundreds of fun, age-appropriate videos and activities. Designed by experts who've worked in schools for two decades, the platform supports daily brain breaks, wellbeing lessons, and movement sessions that can be used in classrooms or at home. It's ad-free, easy to use, and proven to help children move more, focus better, and feel good – wherever they are.

Association for Physical Education

The Association for Physical Education (afPE) is a charitable company, a professional membership organisation, and the leading subject association for physical education in the United Kingdom. As the authoritative voice of Physical Education, afPE is dedicated to promoting high-quality PE and placing it at the very heart of school life.

Our aim is to empower the workforce to deliver outstanding Physical Education, School Sport, and Physical Activity, ultimately enhancing the health, well-being, and life skills of children and young people. Whether you're an educator, school leader, or advocate for the transformative power of physical education, afPE is here to support you in making a lasting impact. Together, we can champion the importance of physical education and create a culture of lifelong physical activity for all.

Commando Joe's

Commando Joe's supports thousands of schools across the UK with Character Education programmes that help build a generation of resilient, confident, and capable young people. Our mission is simple: to equip every child with the essential life skills, attributes, and behaviours they need to thrive in an ever-changing world – and to recognise the unique talents they already possess. Using a robust, well-rounded, and fun-filled approach, we empower pupils from EYFS to Secondary to become the best version of themselves.

Rooted in our RESPECT framework and delivered by a highly skilled team of inspirational role models and education professionals, our programmes blend classroom learning with purposeful outdoor challenges to create powerful character-based experiences. Designed for all staff and pupils in any educational setting – with guidance and support for parents at home – Commando Joe's takes a whole-school approach that positively shapes wellbeing, confidence, and success both now and long into the future.

Complete PE

Complete PE is a global Physical Education resource that has been designed by Primary PE specialist teachers and advisors, to support the implementation of a high-quality Physical Education Curriculum. Complete PE is an afPE approved curriculum resource and through a rigorous approval process, afPE have ensured that our PE teaching and learning resources are evidence informed, inclusive, and aligned with national guidance and best practice. Our vast unit library enables schools to pick and mix the curriculum content most appropriate for their setting. We can support schools with their curriculum design, but all schools have the freedom and flexibility to create their own bespoke curriculum. We adhere to a physical literacy informed approach, to ensure holistic outcomes are championed throughout. Pupils' learning is celebrated physically, cognitively, socially and emotionally throughout the curriculum.

Finally, Complete PE is a fully inclusive resource. All our units of work are supported by Adaptive PE Cards, providing teachers with a range of ideas to adapt the learning to support pupils with additional needs. This ensures that every pupil is fully included in Physical Education.

Bikeability cycle training gives children essential life skills. It's more than just learning to ride a bike, it fosters independence, builds social confidence, and supports overall wellbeing. After completing Bikeability, children are better equipped to respond to risks and often report increased confidence. Many go on to cycle to school more regularly, which contributes to improved mental health and wellbeing. This, in turn, enhances classroom focus, engagement, and academic performance. Healthier habits also lead to better attendance.

Bikeability is more than a training course, it's a positive step towards lifelong benefits.

Ellabeept

Hi, I'm Ella, a motivational speaker with a diverse background in sports, fitness and lived experience of a disability. My workshops are designed for specific year groups and feature a practical sport element, allowing students to engage in hands-on learning. By focusing on disability, inclusion, and Paralympic sport, I aim to unlock the power of understanding and inclusion in your school. Through inspiring presentations, I encourage both students and educators to embrace diversity, foster mutual respect, and cultivate a tolerant environment. These workshops highlight the challenges faced by individuals with disabilities while celebrating their incredible achievements in Paralympic sports. Students are empowered to become advocates for change, promoting empathy, teamwork, and respect. Ultimately, I can help your school cultivate a culture of equality and inclusivity, ensuring every student feels valued and motivated to reach their full potential.

WheelPower

WheelPower has been providing opportunities for people with physical impairments to take part in sport for over 75 years. As a National Disability Sports Organisation (NDSO) WheelPower is also part of a network of Sport England system partners, who all work together to increase access to, and provide, meaningful and engaging opportunities for people to become more active. We organise and deliver sports events in various locations across the UK, that offer taster sessions in a wide range of inclusive and wheelchair sports. Our offer extends to anyone aged 5 and over with a physical disability, and we strongly encourage school groups and those individuals in mainstream schools, to attend our events and discover the joy of movement, activity and sport.

Our online education course is designed for teachers, coaches, and therapists, to learn more about inclusive sport and the opportunities that exist in this space. Our tutors have lived experience of inclusive sport, and will guide all learners through practical applications and 'outside-the-box' solutions to include and improve accessibility to sport and physical activity. Through our networks, we aim to effectively signpost people with a physical impairment to a sport, activity, and/or movement opportunity, wherever they are in the UK.
